

CULINARA Festo

Die kulinarische Weltreise mit Bühnenshow.

Von Studierenden für Studierende!

CULINARA FESTO – WE WANT YOU!

Are you an international student at the University of Bonn?

Do you like cooking and happen to know some **recipes from your homeland**?

Would you like to **present your talent** or **represent your cultur** in an artistic way, e.g. with a dance, a song or sport?

If any of the above applies, you should definitely be a part of our project CULINARA FESTO!

CULINARA FESTO – a culinary world tour with a stage show. From students for students!

This special event will take place at Mensa Nassestraße. Our goal? in one evening we'll experience the cultural diversity of others and expand our horizons!

On **June 11th 2015** we will gather and cook a meal according to your recipe and present it to our 500 guests. You can also simply take the stage and deliver your own personal performance!

„We“ means the Foreign Students Department of AStA, Studentenwerk Bonn, the International Office and of course YOU!

Already interested? Then please send an e-mail with your recipe or idea of a performance to: culinarafesto@asta.uni-bonn.de

We are looking forward to collaborate with you!
